Index

This index covers volume 22 of *Asimov's Science Fiction* magazine, January 1998 through December 1998. Entries are arranged alphabetically by author. When there is more than one entry for an author, listings are arranged chronologically in order of appearance in the magazine. All entries are followed by a parenthetical note: (a) article; (c) cartoon; (ed) editorial; (ge) guest editorial; (na) novella; (nt) novelette; (p) poem; (r) review; and (ss) short story. Collaborations are listed under all authors and are cross-referenced. When a title, a parenthetical note, or an author's name is omitted, it is the same as that of the previous entry.
